THE UNIVERSAL CAR

The Ford One Ton Truck is serving business just as faithfully and economically as does the Ford Touring Car serve all the people faithfully and economically. The Ford Truck is a necessity to the grocer both in delivering goods and in bringing goods from the stations, docks and from the country. It is an ideal motor car because there isn't a want of the farmer or business man that it doesn't supply in the way of quick transportation at a minimum expense. Come in, examine the Truck, and let us talk over the subject.

That's what Pan-Dandy has become.

For thousands of housewives all over the city have come to realize that it means "the bread that can't be bettered."

## Pan-Dandy Bread

Pan-Dandy is made right—with selected flour and the purest of milk; it's baked right—in sanitary ovens; and so naturally, it tastes right.

You'll say so when you try it.

Make the trial today—all grocers have it. But be sure it bears the Pan-Dandy label.

Vesta Camp No. 2653 Royal Neighbors of America entertained the Montclair and Gratia District convention at the M. W. A. hall in Vestaburg, Michigan on Wednesday, October 15th, 1919. A large delegation of officers and members of the R. N. of A. were present from Alma, Summer, Greenville, Sheridan, Lakeview and Vestaburg.

Mrs. Alice C. Smith of Detroit, who is Supervising Deputy Supreme Oracle of Michigan and Mrs. Josephine Smith of Saginaw, who is District deputy were present and responded to the splendid welcome that was given them by stating how thankful they were to be present and to see what wonderful work had been done and the interest that there was for the Royal Neighbors as a society and what friendships had been formed with nearby camps, who were strangers to each other and the good things that had been derived from this convention which was organized at Vesta Camp at Vestaburg 4 years ago, this being the third time the camp had entertained them, even though but a small camp. The first in order of business after the regular opening and introduction of the Deputies and their addresses was where the next convention was to be held. By the hearty approval of the Greenville camp their oracle very kindly extended an invitation to the district to hold their next meeting with them. The invitation was accepted. After the election of the district officers the meeting was adjourned until 1:30 p. m.

After the regular opening of the meeting the district officers surrendered their chairs to the Greenville degree team who had accepted the invitation extended to them by Vesta Camp to take charge of the initiatory degree. They exemplified the work for the camp and fully instructed them in the ritualistic work doing both splendidly which was greatly appreciated by all. The following 12 candidates became members of Vesta Camp: Lorene Cornell, Leona Dyer, Gladys Hare, Ethel Martin, Iva McDole, Mable Murtzbaugh, Georgia Hornbeck, Merilla Taft, Julia Fish, Zulma Vanwynek, Bertha Randall and Mrs. Alfred Anna. After the initiation Mrs. A. Smith gave a very interesting talk on the wonderful things that have been accomplished by the order. A fine program was then given and several members of Lakeview took part in a play entitled, "The Church Aid Society," and one of their members gave a Scotch reading. Alma gave a mock Indian wedding after which the bride and groom and their attendants marched around the hall while the wedding march was being played and the bride passed the candy while the groom passed licorice cigars. The Greenville Neighbors gave a soldiers dress parade and drill. Vesta Camp was represented by a solo by Mabel Tupper and a recitation by Eva Snyder. After the meetings were closed Mrs. A. Smith and Josephine Smith lead the grand march to the banquet room where dinner was served to all by the members of Vesta Camp.
